

Dear Hiring Manager;

Feel Good Games,

I am excited to apply for the Senior Game Developer role at Feel Good Games. As an experienced Unity Gameplay Programmer and Designer, I believe that I am a strong candidate for this position.

Throughout my career, I have worked on a variety of Game Projects with amazing teams as you will see in my Resume. I am passionate about Gameplay Systems, AI behavior and creating fascinating gameplay mechanics, and I am eager to apply my knowledge and expertise to contribute to the indie game project.

I believe that my skills and experience align with your needs. I am committed to team corporation, effective work ethics and working on clean and optimized Game Projects, and I am excited about the opportunity to join your team.

Thank you for considering my application. I look forward to discussing my qualifications further.

Sincerely,

Shontan Daniel.
